The Choral Club has 55 members this year. This is a much larger number than last year.

An octet from the Choral Club represented the group at the County Teachers' Meeting and at the February P. T. A. meeting.

The highlight event of the year was a trip to Richmond to the State Music Festival by a group consisting of 34 members. This group sang two numbers there and were rated superior.

A soloist, Eleanor Christine Huffman, represented the club at the State Music Festival. She received the rating of excellent.

The club also attended the County Music Festival in May.
